Alaska Technical Guide

450-VI - FOTG
Notice AK 9

Subject: TCH – FOTG Section I – Reference List, Biology;

Purpose: To transmit information regarding updating the FOTG

Effective Date: Upon receipt.

General: This notice distributes (under separate cover) the updated **Catalog of Waters Important For Spawning, Rearing, or Migration of Anadromous Fish. ADF&G, 2004.**

Changes to Section I: Biology reference list now contains updated referral to new stream catalogs. The new reference is posted to the eFOTG Section I references area.

1) Action Required: Replace hard copy 1998 version of the Catalog of Waters Important For Spawning, Rearing, or Migration of Anadromous Fish, with the 2004 catalog specific to field office service area. Store this reference in the designated FOTG reference area of your bookshelf.
